

British Drug Free Powerlifting Association

CLUB AFFILIATION

Club affiliation to the B.D.F.P.A. costs £60 per annum. Thereafter, all bona fide members of an affiliated club, may join the Association individually for £15 per year. All forms of BDFPA membership run from 1st January (or whenever application forms are received) – until 31st December, each year.

Please note: 'Club' members must also complete and sign their own individual membership forms. Such forms are the applicant's consent to and support for, the drug control & testing policies of the BDFPA, and no-one other than the applicant may sign an application form on that person's behalf.

All affiliated clubs will receive a copy of each edition of Raw Power magazine, plus the Newsletter Update. These will be sent to the main named contact for the club. Individual club members will each receive their own copy of the Newsletter Update, but those wishing to receive their own copy of Raw Power magazine must subscribe to this separately.

Membership of affiliated clubs entitles the individual holder to full competing rights within the Association, as well as all official rights, such as refereeing or serving in an executive capacity.

POLICY ON DRUG CONTROL

The BDFPA recognises and condemns the dangers of drug use within sport, and POWERLIFTING in particular. It is committed to the education of all sports people as to the dangers and futility of drug use in sport. The BDFPA conducts a rigorous drug testing policy, both in competitions and NO NOTICE out of competition tests. Any member testing positive will be expelled from the BDFPA for life and have their records and titles removed without fear or favour, subject to a right of appeal. A full list of banned substances can be obtained from the Drug Control Secretary or on the WADA website.

DECLARATION

In applying for the affiliation of my club to the British Drug-Free Powerlifting Association, I declare my support for, and compliance with, the drug control policy of the BDFPA, including drug testing of members at events, or out-of-competition. I also understand that this support for the Association's drug-free ethos is expected of all members of my club.

I enclose cheque/postal order(s) for £60 in respect of the club affiliation fee.

Signed (responsible club official).....

Date.....
